

The 2019 PDGA Junior Disc Golf World Championships stands to be the biggest junior-only tournament in disc golf history! Over 300 kids and their families will descend upon Emporia for the week of July 7-13 to take part in top-level disc golf play and vie for various world championships based on age and gender. Disc golfers will compete on six disc golf courses in Emporia for their shot at a prestigious world title.

PHYSICS OF *Flight* DYNAMIC DISCS

The second edition of Physics of Flight will take a look back at the 2018 PDGA Junior Disc Golf World Championships. The magazine will feature last year's heated tournament competition at the top junior levels, highlighting the sport's top players, but it will also spotlight Emporia as a popular disc golf destination. Including your business in Physics of Flight ensures exposure to a new market of local and worldwide disc golfers and visitors.

JR WORLDS PLAYER BOOK

The 2019 PDGA Junior Disc Golf World Championships player book is a wire-bound, all-encompassing guide for competitors and guests, and the quality of the player book has raised the bar for numerous other events throughout the country. Players and spectators will reference the player book multiple times during the week for tournament information and rules, course guides, and daily activities. Last year, the 2018 PDGA Junior Disc Golf World Championships received overwhelmingly positive feedback about the city of Emporia and its reception of disc golfers, and advertising in the player book is a great way to welcome our visitors while bringing awareness to your business. Competitors and guests are constantly encouraged to support the sponsors of the 2019 PDGA Junior Disc Golf World Championships that are listed in the player book.

JR WORLDS APP

Your business will be featured on the Junior Worlds mobile app for both Apple and Android phones, listed on the 2019 PDGA Junior Disc Golf World Championships website, and included on email campaigns sent to all event participants.
